

Incoming 9th Grade Summer Reading Information

All incoming 9th graders must read:

***7 Habits of Highly Effective TEENS* by Sean Covey**

There aren't any mandatory writing assignments to complete over the summer, but there will be assignments associated with the reading during the semester in English. Cadets should keep the book in their possession.

Cadets who are selected for the honors class will be notified via the email address they provide on the placement test. Cadets, who are selected for the honors class, must also read *To Kill a Mockingbird* by Harper Lee before the start of school.
