BRAVO ZULU DMA!

We are excited to share with you, the Delaware Military Academy, that's right, The Seahawk Nation has received the highest possible rating of EXCEEDS EXPECTATIONS on Delaware's new school rating system. The rating system considers student performance and growth in certain courses, as well as graduation rates and the progress of English Language Learners. DMA is one of only four charter high schools to receive this rating. We are extremely proud of this accomplishment and want to thank our Board of Directors, led by Dr. Sharon Kurfuerst, and our incredible Staff and Administration for their efforts, and tireless devotion to making DMA a top performing school. To our DMA families, thank you for supporting and entrusting your child's education to us. This is something which we take very seriously, and we want you to know that we will continue doing everything we can to have our cadets as properly prepared as possible for the next chapter of their lives, while providing them with a memorable and exciting High School experience. Finally, to our cadets, what more can we say, but we love you! Thank you for making us enjoy what we do every day for a living!

As if this was not enough, DMA was recognized with the 2018 Excellence in Construction award for the Fusco Athletic and Academic Center (see above pic.)! We are the first monolithic dome constructed in the Mid-Atlantic region and are honored to receive such a prestigious award!

All in all, a pretty good week for DMA! Let's keep it going... Together!

Kind regards,
