

Delaware Military Academy

The DMA Staff of 2019-20 welcome you back!

August 26, 2019

Good afternoon Seahawk Nation,

As we near the first day of school (September 3rd), we wanted to pass on just a few reminders that will serve the cadets well to start off the year on a positive note and lay the foundation for a successful school year.

- ❖ Begin getting to bed earlier so it will not be such a shock to the system the first day of school.
- ❖ Give yourself plenty of time to get to school. Remember, if you are on Middleboro Road after 7:00am you are going to be stuck in traffic. There is no way to avoid it.
- ❖ Parking passes are required. Please make sure to fill out the form sent last week and get it turned in so that you are legal.

- ❖ Males, schedule a haircut now. Buy razors now and if you colored your hair some eccentric color change it back now! Females, the “lazy bun” will not be allowed.
- ❖ Female (or male cadets) any unauthorized piercings need to be removed. Clear plastic to keep the hole open will not be allowed.
- ❖ All of you have more than likely grown over the summer, if you have not tried on your uniform since June, please do so now and bring it in this week, so we can have you fitted correctly. The excuse of “I didn’t know” will not hold water.
- ❖ Double check the school supply list and be sure to have everything needed for class.

We have scheduled the stadium ribbon cutting ceremony for **September 20th at 6:30pm sharp!** We will be looking for a large contingency of cadets to be a part of the ceremony and will talk much more about this when school is in session, but wanted all of you to get this on your calendar now to join us as we celebrate **together** the completion of our strategic vision. We promise a memorable event for all.

Our Staff is looking forward to your return and want this to be a fun filled, inspiring, positive and educational year for all! ***“Remember, Positive thinking is more than just a tagline. It changes the way we behave. And I firmly believe that when I am positive, it not only makes me better, but it also makes those around me better.” ~Harvey Mackay.***

Kind regards,

Anthony Pullella

Commandant
