

DMA School Bus Rules

1. The school bus is an extension of the classroom. The driver has the authority of a classroom teacher. Cadets must listen to the driver and follow the driver's directions.
2. Upon entering the bus, cadets should immediately take their seats, and remain seated whenever the bus is in motion.
3. Cadets should conduct themselves in a manner that will not distract the driver. Distracting the driver puts everyone on the bus at risk.
4. Cadets must remain properly seated at all times... Back to Back and Bottom to Bottom.
5. Outside of ordinary conversation in a normal tone, classroom conduct is to be observed when on the bus.
6. Cadets are to keep all body parts inside the bus.
7. Cadets are not to throw objects of any kind inside the bus, outside the bus or around the bus.
8. Cadets are not to eat or drink on the bus, unless given permission by the driver.
9. Cadets should help keep the bus clean, sanitary and orderly. They should not cause any damage, or abuse the seats or equipment in any manner.
10. Cadets should not use abusive language or profanity, obscene or rude gestures, or spit while on the bus.

Please keep in mind, it is a privilege to ride the school bus, not a right. Any cadets who continuously show disregard for the rules will lose their bus riding privileges.
