**Job Description**

**ROLE AND RESPONSIBILITIES**

The Delaware Military Academy is looking for a creative and dedicated Physics & Engineering teacher starting in August of 2020. The ideal candidate will hold a Delaware teaching certificate in secondary physics, training with the College Board AP Physics B and a minimum of three years of teaching experience. This teacher will be teaching in a semester schedule with sections of college prep physics, honors physics, Advanced Placement (AP) Physics and a half credit elective called Introduction to Engineering (10<sup>th</sup> grade).

Responsibilities include:

- Support the academic, social, emotional and leadership growth of each cadet
- Plan and deliver academic lessons that are aligned with Next Generation Science standards in physics
- Plan and deliver academic lessons that are aligned with the College Board AP Physics B course
- Communicate (positively and growth opportunities) with parents on a regular basis
- Maintain grades in a timely manner
- Assist with the preparation of our Science Olympiad members for the state competition
- Provide additional instruction, as needed, for struggling cadets
- Participate as part of a larger team of academic professionals to ensure the success of our cadets
- Provide support to cadets to ensure they are prepared for college entrance testing
- Become an integral part of the DMA program through extracurricular activities and professional development
- Other duties as assigned

**QUALIFICATIONS AND EDUCATION REQUIREMENTS**

Candidates must hold a Delaware teaching certificate in secondary physics. Qualified candidates should have attended the College Board AP training for Physics B or be willing to attend the training during the summer of 2020. Candidates must have strong interpersonal and communication skills and the ability to multitask. The ideal candidate will have experience with developing lessons which utilize the SMART Board and meet the needs of varied types of learners. Teachers are expected to work in a professional setting with other grade level and content area teachers. This position will be a part of the science department.

**PREFERRED SKILLS**

- Experience with SMART Boards
- Experience with Schoolnotes
- Experience with Schoology or similar Learning Management System (LMS)
- Experience with E-school Teacher Access Center(TAC)
- Proficiency in the Microsoft Office suite of products

**LEADERSHIP • CITIZENSHIP • SCHOLARSHIP**
