Medical Indoctrination Information

Dear New Cadet and Parents,

Welcome to the Delaware Military Academy and congratulations on your acceptance!

The Nurse's Office at DMA is referred to as Sick Bay.

In order to comply with state health regulations, and to ensure prompt medical care during an emergency or illness, we need the following items/tasks to be completed prior to attending DMA.

1. Yearly physical examination must be completed on or after April 1, 2021 and submitted by July 12, 2021 prior to summer cadet orientation (July 19th, 2021).
 - a. Please use the DIAA form in this packet. We use this form for all cadets regardless if they play a sport or not.
 - b. All immunizations must be up to date and completed including Hepatitis B series, Meningococcal and adult dose TDaP. Documentation must be provided from physician.
 - c. NJROTC Health Screening form and NJROTC Standard Release form need to be filled out every year and are attached in this packet.
2. You must provide documentation of PPD (TB test) or TB risk assessment and it must have been completed within 12 months prior to school entry.
3. Only the school nurse is permitted to give medications during the school day. Cadets are not permitted to self-administer OTC or prescribed medications.
4. Complete the medication consent forms for any prescribed medications.
 - a. Prescription medication must have the pharmacy label on the container.
 - b. Controlled medication must be brought to the nurse by an adult with the medication consent form. Please note the exact number of pills on the container.
5. If you desire your cadet to receive OTC medication administration, please complete the non-prescription medication consent form.
 - a. Send all medication in original container.
6. Cadets with a life threatening allergy should provide an Epi-Pen to be kept at Sick Bay and an Allergy Action Plan provided.
7. Asthmatics: Provide an asthma action plan from your physician.
 - a. Complete the medication Consent form and provide an inhaler to keep on hand at Sick Bay.
 - b. Your cadet may carry their inhaler in their book bag instead, but a physician's note must be provided stating cadet is allowed to carry inhaler on his/her person.
8. NemoursLink form. If you cadet is a patient at Nemours, please read the information on the checklist regarding NemoursLink.
9. Refer to checklist on next page to ensure you have all the required items.

Please refer to the Sick Bay tab on the DMA website for all these forms and some other information. If you have any questions, please contact the school nurse at paige.dolan@dma.k12.de.us

Thank you for your compliance and best wishes for the upcoming academic year.

Paige Dolan, RN, MSN
