

Delaware Military Academy's Chapter of the National Honor Society

****DUE TO COVID-19, NATIONAL HONOR SOCIETY MEMBERSHIP AND THE ACCEPTANCE PROCESS HAVE DRASTICALLY CHANGED. PLEASE CONTACT AN ADVISER FOR MORE INFORMATION.***

Advisers: Mrs. Brittany Watkins & Mrs. Colleen Bradley

Contact: Brittany.Watkins@dma.k12.de.us and Colleen.Bradley@dma.k12.de.us

When and How to Qualify for an Application:

- Cumulative weighted and unweighted GPAs of sophomores and juniors will be pulled every year at the end of the first semester
- Cadets with a 3.75 GPA at that time will receive an application

What we look for in our applicants:

- **Scholarship** – Cadets have a 3.75 GPA or higher and continually challenge themselves in academics
- **Leadership** - Cadets should take on as many leadership roles in and out of school as possible (athletics, clubs, in the classroom, within the Naval Science Dept., in the community, etc.)
- **Service** – Cadets go above and beyond the recommended annual Naval Science Community Service requirements
- **Character** – Cadets exhibit integrity and honesty in and out of the classroom and refrains from any behavior unbecoming of a cadet

Induction

- Upon acceptance (as determined by the NHS Faculty Committee), DMA hosts a National Honor Society Induction Ceremony for new members each year.

Membership

An NHS member:

- pays annual dues of \$15 and signs a membership agreement form
- maintains the qualifying GPA and upholds all requirements from the application
- attends monthly meetings
- can apply to be an NHS Officer in their second year in the program
- participates in an annual NHS service project
- graduates with honors, denoted by an NHS graduation stole at the graduation ceremony

****All decisions made by the Faculty Committee are final and cannot be disputed***
