

THE ROTARY CLUB OF NEWARK 2019 SCHOLARSHIP PROGRAM APPLICATION FORM

FOR HIGH SCHOOL SENIORS ONLY

OVERVIEW

The Newark Rotary Club is proud to offer four \$1,500 college scholarships for the freshman year to deserving students who will graduate high school in June 2019 from the Newark area. Newark Rotarians work year-round to raise money for the scholarships and we consider this activity to be one of the highlights of our Rotary year. For this coming year, the completed application must be received no later than Friday, April 26, 2019. No relative of a Rotary member may apply. Students must reside in the Greater Newark area.

The scholarships will be presented after graduation to students who show exceptional character and qualify as judged by grades, class rank, SAT scores, community and school service, extra-curricular activities, a written essay and financial need.

Our scholarships are for tuition purposes and will be paid to the college/university of the selectee's choice in two installments: one at the beginning of the freshman year and one before the start of the second half of the freshman year.

A completed Scholarship Application, received no later than April 26, 2019, will include the following:

- The COMPLETE application form
- The Counselor Report, which includes an official (or verifiable copy) of the student's most recent transcript and verification of SAT scores
- A 400 to 500 word TYPED essay on the topic described in Section IV
- Two (2) Student Evaluation forms, one from a director or representative of a non-profit organization (may include school) for which you volunteer, and one from a current teacher in one of the major subject area (English, Mathematics, Social Science).

Please mail your complete application form and documents, to be received no later than April 26, 2019, to the address below.
