

## **Required Summer Reading for 9<sup>th</sup> graders:**

**Incoming 9<sup>th</sup> grade cadets must read TWO books BEFORE the start of school.**

1. *7 Habits of Highly Effective TEENS* by Sean Covey
2. *To Kill a Mockingbird* by Harper Lee

While there aren't any assignments over the summer other than to read the books, we will be starting the marking period, first thing, with assessments on the books.

I look forward to meeting you...Enjoy your summer!
