

The cost of a four-year public college education has increased 225% over the last 30 years but saving today for tomorrow's education is both possible and financially beneficial.

LEARN HOW

**Delaware Military Academy
welcomes
State Treasurer Colleen Davis
Tuesday November 16th
6:30 - 7:30 p.m.**

Treasurer Davis will discuss the benefits of a DE529 account. DE529, Delaware's Education Savings Account, provides tax-advantaged savings reducing the likelihood of years of expensive student loan payments.

- **The DE 529 Plan is sponsored by the State of Delaware and managed by Fidelity Investments**
- **Provides tax-advantaged accounts designed to help parents, grandparents and others pay for education expenses, reducing the possibility of debt**
- **Contributions can be made automatically through direct deposit, from a bank account, or from a Fidelity account**
- **No minimum investment**
- **Money grows on a tax-deferred basis**
- **Withdrawals for qualified education expenses like tuition, fees, and books are federal and Delaware income tax-free.**
