Delaware Military Academy Personal Qualifications Requirements

Chief Petty Officer

A. Time Requirements

- Time in unit: Twenty Months Minimum
Date Assigned _____ Date Completed _____
- Time in rate: (First Class Petty Officer) Five Months Minimum
Date Assigned _____ Date Completed _____

B. Selection Process

Cadets who are eligible for promotion to the rate of Chief Petty Officer will have their records reviewed by an officer's board designed by the C/Battalion Commander, overseen by a Naval Science Instructor. Candidates will be considered based on their participation standings, community/unit service, conduct, and aptitude for major leadership positions. After completion of the selection process, the C/Battalion Commander will present possible candidates for CPO selection to the SNSI and NSI'S for advancement consideration.
