

DMA Math Supply List

THE CALCULATOR:

It is recommended that cadets should have a TI-84+ CE graphing calculator.

Some might have a TI-84+ (non-CE) that may be passed down from an older sibling, but in the later more difficult levels of math, a TI-84+ CE will be best so it should be considered when purchasing new.

OTHER COURSE-SPECIFIC SUPPLIES:

ALGEBRA 2

- TI-84+ CE graphing calculator
- 1.5-inch (or greater) three-ring binder with folders and loose-leaf paper
- An adequate supply of pencils/black pens
- An adequate supply of off-colored pens for corrections/notes

PRECALCULUS, HONORS CALCULUS, AP CALCULUS

- TI-84+ graphing calculator
- Notebook or 3-ring binder to take notes
- Folder to keep worksheets in
- An adequate supply of pencils/ pens

Additionally, each student will be required to purchase several reasonably priced materials for projects throughout the school year. Additional donations of whiteboard markers, tissue boxes, hand sanitizer, paper towels, or antibacterial wipes (Lysol, Clorox) are always welcomed and appreciated.
