Home of the Seahawks

Welcome to Delaware Military Academy, Home of the Seahawks! We are part of the Diamond State Conference and a member school of the DIAA (Delaware interscholastic Athletic Association). We offer 22 sports from various different Level (Varsity, Junior Varsity, and Freshmen).

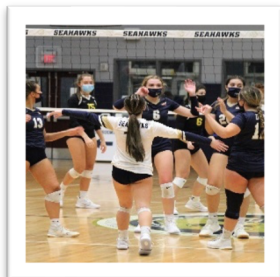

DMA Athletics is more than just putting on a uniform and playing games. It is more than winning and losing. Our coaches strive to instill certain values in every cadet-athlete. Emphasis is placed on academics, sportsmanship, leadership, and dedication. Student athletes are held accountable for meeting academic standards set by DIAA and Delaware Military Academy.

Delaware Military Academy has a Sportsmanship Committee comprised of coaches, athletes, parents and administrators that meet when necessary. Our coaches encourage athletes to lead by example while emphasizing dedication from athletes to their teammates and sport.

The Delaware Military Academy athletic program has been identified as a 2022 recipient of the NIAAA Quality Program Award at the Exemplary Level, the highest obtainable level! DMA is one of three schools in the entire country to receive this recognition this year and the first one ever in the State of Delaware. This national accreditation is something that makes us extremely proud! The NIAAA award recognizes excellence in implementation and administration of a high school athletics program. The Quality Program Award (QPA) recognizes and commends excellence in the implementation and administration of outstanding high school athletic programs.
